Grayling Floral and Greenhouse opens

A sister and brother partnership has brought over two and a half decades in experience of growing flowers, plants and vegetables to Grayling.

Michele Pecar and Michael Rumsey opened Grayling Floral and Greenhouse, located at 6895 W-72, on May 1.

The partners grew up growing plants, vegetables and flowers in a Mancelona business operated by parents James and Corine Rumsey called Rumsey's Market. The business operated from 1984 to 1989, when Michele and her former husband took over ownership. James Rumsey remained a partner in the business for four years, teaching his daughter everything she needed to know about growing flowers and plants and running a greenhouse. The name was changed to Pecar Flowers, and is still in operation today.

Vikings edge Ironmen 5-4, 6-5 Tuesday

Grayling High School's varsity baseball squad defeated the Mancelona Ironmen - a team that eliminated the Vikings from the playoffs in the district semifinals last year - by scores of 5-4, 6-5 in a nonconference doubleheader played at GHS last Tuesday.

"These were two quality wins for us, playing against a quality and well coached team," Coach John Schneider said.

On Friday, the Vikings split a nonconference series vs. Houghton Lake.

The Bobcats won 7-4 in game one. Grayling won 6-4 in game two. **Page 11**

All areas in Crawford County and Roscommon County were reopened for travel and people to return to their homes after a wildfire consumed thousands of acres of land last week.

Ada Takaes, fire information officers Michigan Department of Natural Resources and Environment (MDNR & E), said the fire was 95 percent contained on Monday. Takaes said fire crews were trying to put fire

lines around the west perimeter of the fire, which was more difficult because it is in wetter areas. Officials want to ensure that fire does not have the potential to jump and flare up.

"It's going to be hot this week but the winds are going to be low so that's good news for us," Takaes said.

vate land were destroyed, two homes were damaged and 48 outbuildings were damaged or destroyed.

Someone burning brush started the fire. Takaes cautioned everyone not to burn until the region receives significant rainfall.

"It's going to continue to get hot out there so people just need to be careful," Takaes said. "It's a pretty large fire by Michigan standards."

City terminates manager's contract

Motion passes 4-0 on Monday

by Dan Sanderson
Staff Writer

The Grayling City Council took swift action Monday to terminate City Manager David A. Thayer.

After about 20 minutes of taking public input and deliberations, the Grayling City Council unanimously voted to part ways with Thayer as the community's city manager.

Thayer was hired to serve as Grayling's City Manager on Oct. 20, 2006. He was placed on administrative leave on Feb. 11 after he was arrested for allegedly violating the state's Social Security Privacy Act 24 times. He is accused of giving Michigan Department of Treasury tax forms, which contained the Social Security numbers of other people, to former Grayling City Council Member Dee Maybury.

About 30 people attended Monday's meeting, both giving pro and con views of Thayer's performance in the community.

Grayling resident, business owner and former City Council Member Roger Moshier said he had agreements and disagreements with Thayer during his tenure on the council. He added that Thayer developed a good policy for city employee's handling Social Security numbers, but his main fault was never acknowledging mistakes.

"There is no way around it - he is at fault," Moshier said.

Kay Avery pleaded with the council to reinstate Thayer, so he could return to his job with the "community's best interest at heart."

"Being a city manager requires you to make tough decisions and sometimes you have to have a tough attitude and David

Student designs poster to educate people about prescription drug abuse

by Dan Sanderson
Staff Writer

A Grayling High School Senior lent her talents to a task force focused on stopping the spread of prescription drug abuse.

Kelsey Neuberger designed a poster for the Crawford Partnership for Substance Abuse Awareness, which says, "This Sharing is Not Caring: Stop Prescription Drug Abuse."

May was Medication Safety month, and the Crawford Partnership for Substance Abuse Awareness held medication disposal days and safety presentations.

Neuberger was one of a couple of students who took part in a contest to design a poster for the local drug prevention task force.

Neuberger said she did a mock sketch of what she wanted to do and consulted with Grayling High School art teacher Mark Binet. She then took input from the Crawford Partnership for Substance Abuse Awareness.

"We worked together and I just had a lot of fun with it," Neuberger said.

Donna Boughner, the

GHS Dean of Students who is part of the Crawford Partnership for Substance Abuse Awareness, said the poster gets its message across for a problem that is across the nation and crosses generations of people.

"I am proud of what she did and it was very eye-catching," Boughner said.

Lorelei King, a mission leader for Mercy Hospital Grayling and member for Crawford Partnership for Substance Abuse Awareness, praised the poster for an issue that affects youth and the elderly.

"Our focus is clear, precise and I think she did it," King said of the poster.

The posters will be displayed in schools, municipal buildings and other agencies.

To get the youth involved with it is just the tip of the iceberg," King said.

In addition, King said a Community Health Fair would be held on Saturday, June 19, to educate the public on prescription drug abuse. The will also focus on the proper disposal of outdated medication or medication that people are

no longer taking. Items, such as old mercury thermometers can be dropped off during Crawford County's annual Hazardous Waste Disposal, scheduled for the same day.

"We're trying to get a bunch of community groups together to make worth everybody's while," King said.

Lt. Jeff Keister, the commander of the Strike Investigative Narcotics Team (STING), said initiatives such as the poster would go a long way in fighting the local battle on drug abuse. He said he and his unit can't be involved in such activities because they are focused on doing surveillance, working undercover and making arrests.

"Anything we can do to educate the public is a good thing," Keister said. "We're in proactive pursuit of criminals, and we don't get much of a chance to do prevention and education."

"Any time we may be save someone's life or turn someone from type of activity, it's a good thing," Keister added.

Keister attributed the spread of prescription drug abuse in northern Michigan

to the economic times and other hardships. He said the problem in nearly as prevalent as alcohol abuse, and affects everyone since people steal to support their habits. He said that people steal drugs such as a blood pressure medication and heart medication, taking

them for reasons there not met for and not knowing the effect wrongful use of the medications will have.

"It affects all of us and I support of any effort to educate and prevent the spread of substance abuse," he said.

Local girl top four in Miss. Jr. Pre-Teen

by Dan Sanderson
 Staff Writer

While Miss Michigan Rima Fakih was crowned Miss USA in Las Vegas earlier this month, a Grayling gal also took top honors in a pageant the same weekend.

Ashley Vitale, age 8, of Grayling, won fourth place among 182 girls in the Nationals' 2010 Grand Rapids/Lansing pageant competition on Saturday, May 15. She is the daughter Alma Mendoza and Brian Vitale.

Vitale competed in the Miss Jr. Pre-Teen division, one of four divisions, which included young ladies between the ages of seven and 19. The girls competed in modeling routines, which included casual and formal wear.

Next, Vitale had the opportunity to display her personality and interviewing skills in front of a panel of judges.

Mendoza said interviewing in front of the judges allowed Vitale to spread her wings. While some girls stumbled on the questions, Vitale answered the question like she was the only person in the room.

"She's so shy, so she wanted to build more confidence," Mendoza said.

Ashley Vitale

Personality was the number one aspect that each contestant was judged on during all phases of the competition.

Vitale received a trophy and will compete in the Nationals' 2011 Miss Jr. Pre-Teen pageant in Florida.

"I feel like it's going to be fun when I do the pageant and go to Florida," Vitale said.

Vitale, a student in Suzanne Schlachter's third grade class, said she built confidence and bonded with other girls in the pageant.

"I wanted to make new friends and I met a lot of new friends," she said.

Mendoza said the family would be busy raising money for the trip to Florida, including holding authentic Mexican dinners in Grayling.

Motorcycle passenger dies following accident

by Dan Sanderson
 Staff Writer

A motorcycle passenger died Sunday and its driver was in critical condition after crashing into a van.

Crawford County Sheriff Kirk Wakefield said deputies were dispatched to a motorcycle/van accident with injuries at the intersection of Stephan Bridge Road and Shaw Park Road at 7:04 p.m. on Sunday, May 23.

The van was struck by the motorcycle, throwing both the driver and passenger from the bike. The driver of the motorcycle, Joseph Roby, 23, of Grayling, was airlifted to Munson Medical

Center in Traverse City in critical condition. The female passenger, Annie Spencer, 27, of Grayling, was pronounced dead at Mercy Hospital Grayling.

The driver of the van was not injured.

This accident remains under investigation by the Crawford County Sheriff's Office.

Crawford County Sheriff's Deputies were assisted by the Grayling Police Department, the Grayling Fire Department, Mobile Medical Response EMS units, a North Flight EMS Helicopter and a LifeNet EMS helicopter from Saginaw.

Council votes to terminate city manager's contract

Continued from Page 1

does have that, but he does that because wants the city to move forward and Grayling to be successful," Avery said. "That's all he's ever wanted to do."

Katie Farmer, a city resident recently appointed to the city parks and recreation committee, said she is tired of seeing news of Thayer and the city dominate the headlines.

"It's a small town, it's blown out way farther than it needs to be and it's nonsense," said Farmer, who applied to fill a vacancy on the city council when Maybury resigned in March.

Grayling Township resident Jack Mahank, who is chairman of the Crawford County Commission on Aging and Crawford County Planning Commission, said Thayer has always been contributive, energetic and interested in issues involving the county panels. He said Thayer helped decrease the lease for the Grayling Senior Center, added assisted living to the city's master plan and helped obtain input from governmental officials for the county's master plan.

"Being accused of a breach in public trust is a pretty serious charge for an elected official or even an appointed official and needs to be dealt with in a proper manner," Mahank said. "It would seem to me that the city needs to wait until Mr. Thayer has his day in court."

After taking the public input, Grayling City Council Member Karl DeVries made

the motion to terminate Thayer's contract. The motion was seconded by Grayling City Council Member Dennis Robinson. Robinson was appointed to fill a vacancy on the city council on April 26. The vote was 4-to-0. Grayling City Council Member Kim McClain did not attend the meeting.

DeVries, a retired Grayling City Police Officer, said Thayer has done some good things for the city, but did not think the community can move ahead in the current environment.

"I don't think it would behoove Mr. Thayer or us as the council to try to work together because I think we would be butting heads right along," DeVries said.

Mayor Pro Tem Larry Akers said he typically is not swayed by small groups on an issue, but believed too much damage has been done to place Thayer back at the helm of the city.

"I continue to support Mr. Thayer," Akers said. "I think he has done a lot of good for the community."

Akers said Grayling City Police Chief Doug Baum, who is serving as the acting city manager, needs to return to running the police department, and the city needs for find a new manager.

Thayer was given a 30-day notice of his termination. He will remain on the city's payroll for the next month. He will then be given payment for 180 days, roughly six months of his salary, in one lump sum payment. He will

also receive health and life insurance during that same period. Thayer's annual salary is \$72,000.

Thayer thanked the citizens, staff and some council members for allowing him to serve the community.

He noted the I-75 Business Loop reconstruction project and Michigan Avenue Streetscape project as two the top projects he spearheaded for the community.

"I am proud of the record of accomplishments we've made in the last three and a half years," Thayer said.

Thayer said he was hired by former city leaders to address issues with the city's police department. He said the results of those actions prompted a slate of candidates to run for city council last November to oust him from his position.

"There's really no surprises," he said. "This right here is what the election results called for."

Thayer hoped the current council could have waded through the facts and they could have moved forward together. Instead, citizens became more outraged when the city council gave him a raise and a vote of confidence in January.

Thayer also faces a charge for public officers-making false statements relating to finances. He was arrested on that charge on March 25.

Current Grayling City Attorney Mike Edwards said a warrant was issued for Thayer's arrest for devoting city resources and time to former Grayling City

Council Member Tom Wellman's reelection campaign last fall.

"It has worked up into frenzy and it is really unfortunate," Thayer said. "It wasn't about what's best for Grayling. It was let's get rid of Thayer and anything less would not fill the appetite of this group of people."

Thayer said he was hoping to build up the wood products industry in Grayling and assist with Kirtland Community College's AuSable Artisan Village project to build the nucleus for growth, jobs and maintaining property values.

"This not going to fix itself. There is going to have to be some very aggressive action," he said. "When you have money, you don't have as many problems."

Finally, Thayer said he will stay and vigorously fight the charges and allegations against him before he moves on in his career.

"There's really not much I can do until those issues are resolved," he said. "It's very difficult to continue a life in public service when you have issues like that are outstanding."

Baum said it will be up the the council on how its proceeds with a city manager search.

"I have not been giving direction of how they want to proceed," Baum said.

Areas reopened as fire crews contain humongous wildfire

Continued from Page 1

Larry Akers, the emergency management/911 director for Crawford County, said people who have lost homes or outbuildings are encouraged to report their loss to his office or the Crawford County Equalization Department.

"We just want to make sure that they find everybody and we've got some sort of record if they need some sort of assistance sometime in the future," Akers said.

Dean Rumsey, administrator for the Hilltop Manor and Care Center, said the staff and first responders faced the daunting task of evacuating 106 clients and finding temporary placements last week. Some clients, who were in for short-term stays and rehabilitation, were allowed to return home with their families.

Patients with high needs were transported to Mercy Hospital Grayling and the West Branch Regional Medical Center. The remaining clients were placed at the AuSable Valley Community in Fairview, MediLodge Nursing Homes in Hillman and Sterling, the Grayling Nursing and Rehabilitation Community, Tendercare in Gaylord and the Bortz Health Care Facilities in West Branch and Rose City.

Some clients also stayed in an emergency shelter created by the Red Cross and other emergency agencies at the Frederic Elementary School.

"It was simply due to the beds that weren't available," Ramsey said.

Ramsey said it was a real

collaborative effort between the Hilltop Manor and Health Care Center's staff and first responders to get the clients placed. The facility plans to hold an open house and pig roast to honor the firefighters and first responders.

"I commend the efforts that the first responders and everyone who worked so diligently to contain this fire," Ramsey said.

"That's just mind boggling number and it could have been a lot worse," Ramsey said of the acres of land that were ravaged.

Kathie Hanert, the administrator the AuSable Valley Community, said she and her staff were more than willing to step forward and help out during the disaster.

"It was real group effort on our part and our nursing home really pulled together as a group," Hanert said. "We were glad we were able to help because we would want somebody to help us out if we were in that situation."

Kaylan Petrie's wedding went off without a hitch despite the fire. A couple, who stood up in their wedding, lost their home in the fire.

"They lost everything," Petrie said.

A bridal gown was in the home when it was destroyed.

"Thanks to David's Bridal, they found another one and sent it overnight," Petrie said.

Phil Huber, wildlife biologist for the Huron-Manistee National Forest, said 459 acres of occupied Kirtland's warbler breeding habitat were consumed by the

Meridian Boundary Fire in two areas. In 2009, 31 singing males occupied this habitat, which is about two percent of the singing males counted that year in the state.

Huber said that most of the birds returned prior to the fire, and adult birds likely escaped the blaze.

Huber said a few nests with eggs may have been lost.

"It is likely that the adult birds that were displaced will look for habitat elsewhere and re-nest," Huber said.

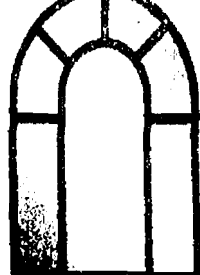

Huber said the wildfire would create habitat for the Kirtland's Warbler, which will be available for nesting in 2018.

Another fire, called the Range 9 fire, started and quickly spread on Camp Grayling property in Kalkaska County's Garfield Township near the Crawford County border Tuesday, May 18.

Maj. Dawn Dancer, spokeswoman for the Michigan Department of Military and Veterans Affairs, said the fire was a controlled burned that began around 2 p.m. and was contained by 8 p.m.

Dancer said that Camp Grayling does 10 to 20 control burns to prepare for military training per year. Camp Grayling and DNR & E firefighters helped bring the fire under control, but not before it destroyed three to four homes on property adjacent to the range.

"The guys knew what was going on and were able to respond quickly and got it under control," Dancer said.

Almanack

by Richard Milliman

Continuing wars add Memorial Day meaning

"TRAGIC EVENTS America has faced during the past 12 months provide added significance to Memorial Day this year."

That's the way our Memorial Day Almanack started in 2002, reflecting the memory of the more than the 3,000 non-combatant victims who died in the infamous September 11 homeland terrorist attacks on the United States.

This introductory paragraph is equally as apt in 2010 as it was then, and new significance is added by the continuing active wars in Afghanistan and Iraq.

It's almost incomprehensible that United States armed forces still are mired in active combat in these two countries after all these years of fighting the "war on terrorism."

As a country, we have never been engaged so long

in a single combat arena as we have in Afghanistan, and sadly no easy or early end appears in sight.

OUR WAR IN Afghanistan started in October 2001, and we have been in combat there for nine years and eight months, which surpasses the length of the Vietnam War by more than two years (August 1964 to January 1973, or eight years, five months).

The Iraq War, which started in March 2003, still is deadly but seems to be settling down a bit, at seven years, two months, is nearing the Vietnam length, and ranks third in length of all American wars.

For comparison, the Revolutionary War lasted six years, nine months (July 1776 to April 1783); the Civil War with ourselves four years (April 1861 to

April 1865); and World War II, the "Big War," three years eight months (December 1941 to August 1945), when hostilities in the Pacific arena finally ended.

THE ENDURING "war on terrorism" is world wide, and is much different than many earlier wars, which had more well-defined objectives and arenas of hostility.

Unfortunately, this current war without borders may seem unending, and an explosive-rigged van in Manhattan or a bomb ravaged airplane landing in Detroit - two recent unsuccessful attempts at mayhem right here at home - could have caused deaths from warfare just as front line fighting in far-off countries does.

Loved ones of victims of

this war on terrorism know the same sort of grief as victims in a traditional war. Children are orphaned in the same way. War-induced injuries are just as painful and often just as debilitating.

War is deadly, even non-conventional war. Death is real.

And another Memorial Day has rolled around.

SOMETIMES IT'S easy to minimize or even forget the importance of the role played by soldiers, sailors, marines and other service personnel to our country, our way of life, and even our personal activities.

A poem credited to a Charles M. Province, appearing in the American Legion magazine a few years ago provides some perspective:

"It is the soldier, not the

reporter, who has given us freedom of the press.

"It is the soldier, not the poet, who has given us freedom of speech.

"It is the soldier, not the campus organizer, who has given us the freedom to demonstrate.

"It is the soldier, not the lawyer, who has given us the right to a fair trial.

"It is the soldier who salutes the flag, who serves under the flag, whose coffin is draped in the flag, who allows the protester to burn the flag."

I hope there's no objection if we extend the credits not only to the soldier, but also to the sailor, the marine, the airmen and women, the coast guard and other service personnel who through the years have taken up arms to defend our country.

AS THIS YEAR'S

Memorial Day message began with words from our 2002 Almanack so it now closes with words from that same message eight years ago:

Is it too much to hope that one of America's primary goals as a nation in both world and domestic affairs will be to end the spiral of wars and killing that keeps adding more and more American dead to our Memorial Day honor rolls?

Cannot America find and pursue other ways ... less deadly ways ... to conduct America's world affairs and still fulfill our proper role as world leader?

There's always hope.

Letters to the Editor

Is Mr. Sanch proposing to build a plant in Grayling or looking for investors?

To the editor:

An article in the Avalanche on May 5, 2010 quotes Mr. Thayer as saying he has been working "through the thick and the thin for the last two and a half years" with Cascade Wood Products, LLC. The Michigan.gov website, Department of Energy, Labor and Economic Growth, states this company was formed in July of 2009, 10 months ago. Its Resident Agent is Merl A. Sanch.

It appears this is the same Mr. Sanch that was working with Mr. Thayer in 2007 to bring a Wood Pellet company to Grayling. The plant was never built but two 2007 newspaper articles describe the project. The Traverse City Record Eagle of April 23, 2007 details how the "Cascade Pellet Corp" in Ypsilanti intends to build a \$45 million dollar wood pellet factory on 55 acres in the Grayling Industrial Park. Construction was to begin in the fall of 2007. The president of the company is Chuck Sanch. Gaylord was their first choice, with intentions to buy the Georgia Pacific plant vacated in March of 2006. Mr. Sanch stated that "their offer (to Georgia Pacific) was at an acceptable level and we even increased it when we didn't hear back." A subsequent article in the Gaylord Herald Times of May 2, 2007 reports substantially the same thing but quotes a G-P spokesperson saying the company had spoken with Cascade and, contrary

to what Sanch said, had responded to Cascade's offer. "We were not able to complete a deal and had spoke to them in late summer."

"Cascade Pellet Corporation" is not listed on the Michigan.gov website, however there is a "Cascade Management and Development Company LLC" in Brighton, Mich., whose Resident Agent is Merl Chuck Sanch. This company was formed in 2005 and last filed an annual report in 2007, the year they were to have built the \$45 million plant in Grayling. As of 2008 the company was shown as active, but not in good standing with the state.

Not only did the project in Grayling die, the company itself seems to have disappeared. Now Mr. Sanch is operating in Ada, Mich. under a new company name, Cascade Wood Products, LLC. Checking the address of this company at 7210 30th Street SE, Ada, MI, I found it to be a single family home in a residential subdivision.

In 2003 Merl "Chuck" Sanch was working for Crossroads Real Estate in Brighton, Mich., promoting a \$400-\$500 Million 2,000 home development in Marion Township near Howell. A successful project? Hardly. I was told by the owner of Crossroads Real Estate that Mr. Sanch only worked there on that project and when they were not able to obtain funding, the project died and Mr.

Sanch left the company.

The May 1, 1990 Argus Press reports Chuck Sanch as the Chairman of Michigan Pulp and Paper Corporation is proposing a \$1.2 Billion (yes "B") Pulp Mill to Alpena, Mich. Has anyone seen that \$1.2 billion plant? Not quite, the State of Michigan shows that the last annual report filed by Michigan Pulp and Paper Corporation (M. Chuck Sanch, Resident Agent) was in 1992 and the company was automatically dissolved in 1995. The project failed along with the company promoting it.

Mr. Sanch does not appear to have a successful history of accomplishing what he promotes. He does not appear to own any wood processing plant. His proposals involve funding from sources other than himself, funding which he seems unable to obtain. Is Mr. Sanch proposing to build a plant in Grayling or is Mr. Sanch looking for Grayling and other "investors" to build him a plant?

Is there any record in the city of negotiations between Mr. Sanch and Mr. Thayer? What kind of a deal was there between these two individuals and why was no one else in the city advised of what was going on? The situation is dubious enough to question Mr. Sanch's proposal. Perhaps he should make his presentation to the entire city council where it can be fully evaluated by all city officials.

When will Beaver Creek be on the list?

To the editor:

I'm writing in regards to the article that Mr. Babcock wrote in the paper about the roads in Crawford County. (Beaver Creek) Old 27, Fletcher Road between Old 27 and South Grayling Road, and South Grayling Road down to the blinker light in Crawford County is so bad.

Do you know when anything is going to happen with those roads? Old 27 is like a washboard, worse in the winter time, Fletcher Road you cannot miss the holes anymore there are so many of them and South Grayling Road down by

Dort Road is about the same.

I have lived down Old 27 for about 14 years and nothing has been done about this road and I sit back and see some of the roads north of 4 Mile Road getting paved not once, but twice and they are not close to being as bad as these are.

Have you ever been down the roads in Beaver Creek? If not, take a ride.

So let all of us in Beaver Creek know when we will be on your list or when something will be done.

Trout opener was a success

To the editor:

The article on our eighth annual trout opener in the April 22 issue of the Avalanche played an important role in making our opener a success.

The opener events on April 24 and the unveiling of "AuSable Riverboats and AuSable River Guides," our current exhibit in the Lovells Museum of Trout Fishing History, once again drew a sizable crowd.

Although Michigan has a rich trout fishing history, we are still the only museum in the state that yearly mounts a new exhibit on the subject.

The exhibit is open for viewing on Wednesdays and Saturdays from 10 a.m. to 4 p.m. until the end of September.

## Why Christians Must Love Jews

In Romans 11:16-18 God reminds Gentiles why they must love God's saved remnant in Israel: "16For if the firstfruit be holy, the lump is also holy; and if the root be holy, so are the branches. 17And if some of the branches be broken off, and thou, being a wild olive tree, wert grafted in among them, and with them partakest of the root and fatness of the olive tree; 18Boast not against the branches. But if thou boast, thou bearest not the root, but the root thee."

First, Gentiles and Jews are saved by the same spiritual firstfruit and root: "16For if the firstfruit be holy, the lump is also holy; and if the root be holy, so are the branches." Jews were instructed to sacrifice a small part of their dough as an heave offering to the LORD. "21Of the first of your dough ye shall give unto the LORD an heave offering in your generations." (Num. 15:21). Proverbs 3:9 reminded us what this included: "9Honour the LORD with thy substance, and with the firstfruits of all thine increase." All the Old Testament sacrifices pictured and pointed to our perfect sacrifice of 1

Corinthians 5:7: "7Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our passover is sacrificed for us." Christ is also called the firstfruits of our resurrection in 1 Corinthians 15:23: "23But every man in his own order: Christ the firstfruits; afterward they that are Christ's at his coming."

Jesus Christ is also the only root of salvation to both the Christian and the Jew. As Romans 15:12 states: "12And again, Esaias saith, There shall be a root of Jesse, and he that shall rise to reign over the Gentiles; in him shall the Gentiles trust." He is called "the Lion of the tribe of Juda, the root of David" in Revelation 5:5 as He came to being judgment upon earth. Jesus said in Revelation 22:16: "16I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star."

Second, Gentile substitution in place of some Jews gives us no basis for discrimination against them. "17And if some of the branches be broken off, and thou, being a wild olive tree, wert grafted in among them, and with them partakest of the root and fatness of the olive tree." We

did not replace all the Jews, just some, "17And if some of the branches be broken off." There is always a remnant of Jews. We being inferior by nature were grafted in among them: "and thou, being a wild olive tree, wert grafted in among them." Again, we were "grafted in among them" we did not replace them. Therefore, we dare not reproach them, "and with them partakest of the root and fatness of the olive tree;"

Third, there is no place for Gentile smugness or pride against the Jews. "18Boast not against the branches. But if thou boast, thou bearest not the root, but the root thee. Jewish branches and Christian branches both must receive life and nourishment from the same root, our Lord Jesus Christ, the promised messiah to the Jews. As Acts 4:12 states: "12Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved." Jesus alone is Savior! Pastor "B"

# Grayling Floral and Greenhouse opens its doors for gardening season

by Dan Sanderson  
Staff Writer

A sister and brother partnership has brought over two and a half decades in experience of growing flowers, plants and vegetables to Grayling.

Michele Pecar and Michael Rumsey opened Grayling Floral and Greenhouse, located at 6895 W-72, on May 1.

The partners grew up growing plants, vegetables and flowers in a Mancelona business operated by parents James and Corine Rumsey called Rumsey's Market. The business operated from 1984 to 1989, when Michele and her former husband took over ownership. James Rumsey remained a partner in the business for four years, teaching his daughter everything she needed to know about growing flowers and plants and running a greenhouse. The name was changed to Pecar Flowers, and is still in operation today.

In 1994, James Rumsey, missing growing the plants started Parkside Plants in Mancelona, and went into partnership with his son Michael Rumsey. The love of growing plants had never left Mike and was very happy to be in business with his dad. The business operated until James Rumsey became ill.

With their green thumbs itching, Pecar and Rumsey went searching for a new community to start a greenhouse and floral business. They found a perfect fit in Grayling.

"We like the town," Pecar said.

"With Grayling, it was a nice sized town. It's not really small, but it's not a big city," Rumsey added. "We did not want to flood the market with more flowers. This saves a lot of local people from having to drive to

Gaylord, Kalkaska and Traverse City to get their flowers and get what they want."

Last August, Pecar and Rumsey purchased the land for their business, cleared the trees and built the growing greenhouse and sales greenhouse.

Like the plants, interest grew over the winter and peaked when the business opened on May 1, drawing nearly 100 customers.

"Everyone was so curious, they just started rolling in," Rumsey said.

Grayling Floral and Greenhouse sell plants and flowers which are easy to grow and care for, are covered with blooms, bright and colorful and all-season bloomers. Most of the plants are from cuttings, hybrids or Proven Winners, plants that have won more University Performance Trial awards throughout North America, than any other plant brand.

In the garden center, customers will find a vast selection of vegetable plants, flowering annuals, perennials, bulbs and flowering shrubs - all grown right here for optimum health in a northern Michigan garden.

"It kind of fun teaching the people about the plants and what they will do," Pecar said.

The business sells gardening supplies, garden statuary,

birdbaths, garden furnishings, and a large selection of seeds and spring planting bulbs.

Grayling Floral and Greenhouse offers delivery service of fresh cut flowers within the Grayling area. The owners and its two employees also offer specialty-planting, assist with filling memorial planters and also works with landscaping companies.

Pecar said she loves seeing plants blossom, grow and flourish before they go home with customers.

"You really have to love plants to do this, because it's lots and lots of work," she said.

Grayling Floral and Greenhouse and is open from 9 a.m. to 7 p.m. seven days a week. They plan to keep the business open through October so they can provide perennials, mums and fall bulbs to customers.

"We going to try to carry it out as much as we can," Rumsey said.

### Softball team splits vs. Gladwin

In a nonconference varsity softball series played on Monday night, the Grayling Vikings posted a split vs. the visiting Gladwin G's.

The Vikings won 3-2 in game one. Andrea Malm pitched all seven innings for GHS, striking out five and allowing four hits.

"The effort in game one was outstanding," Coach Keri Brock said. "The girls were focused and went after Gladwin, even after losing to them earlier in the season. Andrea Malm pitched a great game, giving up just four hits. The Gladwin hitters had a hard time adjusting to her drop ball."

Leading hitters for GHS: (game one) Jordan Stephan, 1 for 3, double; Makenna Harwood, 1 for 2, 1 run, 1 RBI; Molly Rinkey, 1 for 2, 1 RBI; (game two) Kirstie Wakeley, 1 for 2; Joni Bindschatel, 1 for 2, double; Cayla Johnson, 1 for 2.

Gladwin won game two 10-0.

"We seemed to come out flat in game two and

Gladwin's bats came alive, doubling their total from game one. We weren't efficient with our base runners, stranding runners on several occasions. We need to find a way to maintain our focus and finish a doubleheader," Coach Brock said.

The Vikings lost 8-1, 5-2 vs. the visiting Mancelona Ironmen on Tuesday night.

Malm pitched game one and Bindschatel pitched game two.

Leading hitters: (game one) Shalee Miller, 1 for 3; Bindschatel, 1 for 2; Johnson, 1 for 3; Harwood, 1 for 3, 1 run; Rinkey, 1 for 3; Caitlin Prosser, 3 for 3, 1 RBI; (game two) Wakeley, 1 for 3; Bindschatel, 1 for 3; Johnson, 1 for 3, 1 run; Prosser, 2 for 3, double, 1 run; Rinkey, 2 for 3, 1 RBI; Kelsey Neuberger, 1 for 3.

"Mancelona really forced us to take a look at our bunt coverage and adjustments that needed to be made. Even though we lost both games, it was helpful to address these things prior to districts," Coach Brock said.

Jordan Stephan drops the bat after putting the ball in play vs. Mancelona on Tuesday.

"Caitlin Prosser stole the show against Mancelona. She went 5 for 6 with four singles and a double. It's difficult to be the only freshman on the team and she has made great strides from the beginning of the season. I have had several coaches comment on her athleticism this season. Her strong work

ethic will definitely make her a force to be reckoned with down the road."

The Vikings (13-17 overall, 6-6 league) will play at Gaylord on Thursday, May 27. Grayling will play Kalkaska at Elk Rapids in a round one district game on Tuesday, June 1, at 4:30 p.m.

### JV softball squad wins 19-14, 28-5

The GHS junior varsity softball team won 19-14, 28-5 at Gladwin on Monday.

Taylor Duvall pitched game one and Tabatha Watkins pitched game two for the Vikings.

Leading hitters for Grayling: (game one) Madi Junttila, 3 for 4, 2 doubles, 7 stolen bases, 1 RBI, 3 runs; Majerle Nielson, 3 for 4, 2 doubles, 1 stolen base, 1 RBI, 2 runs; (game two) Darcy Greer, 3 for 3, 2 doubles, 1 stolen base, 1 RBI, 4 runs; Junttila, 3 for 3, 1 double, 2 stolen bases, 4 RBIs, 3 runs.

On May 14, the Vikings split a series at Boyne City. Boyne won by one, 15-14, in the first game. Grayling took game two 12-1.

Duvall and Watkins pitched for GHS.

Leading hitters: (game one) Junttila, 3 for 5, 2

stolen bases, 2 RBIs, 2 runs; Nielson, 2 for 4, 2 triples, 6 RBIs; (game two) Nielson, 3 for 3, 2 triples, 2 stolen bases, 2 RBIs, 1 run; August Ledesma, 3 for 3, 6 stolen bases, 1 RBI, 2 runs; Junttila, 2 for 4, 1 home run, 3 stolen bases, 2 RBIs, 3 runs.

On May 11, the Vikings fell 14-2, 19-1 vs. the visiting Kalkaska Blazers.

Leading hitters: (game one) Nielson, 2 for 2, 1 double, 3 stolen bases, 1 run; Watkins, 1 for 2, 1 double, 1 stolen base, 1 run; (game two) Watkins, 1 for 2, 1 triple, 1 run; Lindsey Johnson, 1 for 2, 1 double, 1 stolen base.

"Overall the team has been doing a good job, and we are now 9-9. This is a great improvement over last season and I am looking to pick up a few more wins this week. If the girls have their

heads in the game, we are great and usually pull out a win. It is the games that we are not focused and end up with too many errors that we don't win. Taylor Duvall and Tabatha Watkins have

been doing a great job pitching for us and letting the other teams hit the ball," Coach Sarah Allen said.

The Vikings will host Gaylord on Thursday, May 27, at 4:30 p.m.

### Tennis team wins at Manistee

The GHS tennis team won 6-2 at Manistee last Tuesday.

Grayling posted victories in all four singles events. Myrissa Kuhn won 6-4, 6-4; Sierra Williamson won 6-2, 6-2; Dani Dami won 6-0, 6-1; Rachel Jensen won 6-3, 6-0. Chynna Williamson and Savannah Foguth won 6-0,

6-2 at #1 doubles. Alicia Stanley and Allyssa Wilson won 7-6 (7-2), 2-6, 10-8 at #2 doubles.

"Overall, the girls played some of their best tennis of the year," Coach Scott Baker said. "With this win, our team finished the season with a 4-2 record. The girls

definitely exceeded my expectations this season. Not only did they work very hard in practice, each player's tennis skills improved immensely over the course of the season."

The Vikings won 6-1 in a meet at Traverse City St. Francis vs. a TCSF JV team.

Grayling's #1 through #3 singles players all won: Kuhn, 7-5, 6-4; S. Williamson, 6-1, 6-1; Dami, 6-1, 6-0. C. Williamson and Foguth won 6-0, 6-2. Stanley and Wilson won 7-6 (7-1), 6-2. Alex Robson and Kayla Stanley won 6-3, 6-0.

"Once again, the girls came to play," Coach Baker said. "They wanted to beat (Traverse City St. Francis) really bad. I couldn't be happier with the way the girls played in this match. The temperature was only in the high 30s and with strong winds. This group of girls adjusted well and played some terrific tennis."

The team's meets slated for May 11 and 13 were canceled due to weather.

## Vikings edge Ironmen 5-4, 6-5 on Tuesday night

### Baseball team splits vs. Houghton Lake on Friday

Grayling High School's varsity baseball squad defeated the Mancelona Ironmen - a team that eliminated the Vikings from the playoffs in the district semifinals last year - by scores of 5-4, 6-5 in a nonconference doubleheader played at GHS last Tuesday.

Zach Wolcott, the winning pitcher for GHS in game one, struck out five and allowed one earned run on one hit.

At the plate, Taylor DesEnfants had three hits for Grayling. Luke Schneider had two hits and one RBI. Jensen Aubry had one hit and one RBI.

Aubry was the winning pitcher in game two. He allowed six hits and struck out four.

On offense, Aubry had two hits and one RBI. Wolcott had a double and two RBIs. Jake Helsel and Schneider each had one hit and one RBI.

"These were two quality wins for us, playing against a quality and well coached team," Coach John Schneider said.

On Friday, the Vikings split a nonconference series vs. Houghton Lake. The doubleheader was originally scheduled for May 26, but the Vikings had to use that day for a league makeup game.

The Bobcats won 7-4 in game one. Grayling won 6-4 in game two.

Riley Zigila pitched for Grayling in game one. Wolcott, Aubry, and Jeff Enos pitched for GHS in game two.

In game one, Aubry had one hit and one RBI. Helsel and Nick Wells each had one RBI.

In game two, Aubry was 3 for 3 with a double and three RBIs. Joe Contreras and Schneider each had one hit and one RBI. Wolcott and Zigila each had one hit.

"We did not play very well the first game, making four errors, which the Bobcats pounced on. We gave some JV players some opportunities up on the varsity for some experience and they did well," Coach Schneider said.

Grayling played three games in the Cadillac Invitational on Saturday, winning one of them.

The Vikings started the tournament with a 6-3 loss vs. Cadillac. Grayling had a 3-0 lead, but Cadillac tied the score at 3-3 in the third inning. Cadillac scored three more in the fifth.

Aubry and DesEnfants pitched for GHS.

At the plate, Aubry had two doubles and Ethan Lewis had a double and two RBIs.

Grayling lost 5-0 vs. Mt. Morris. Wolcott struck out six and held Mt. Morris scoreless for four innings, but Mt. Morris scored five in the fifth to win it.

Zach Wolcott throws a pitch vs. Mancelona on Tuesday.

DesEnfants and Wolcott had Grayling's only hits.

The Vikings defeated Holly 5-4 in their final match of the tournament.

DesEnfants started, Wolcott pitched one inning, and Zigila - the winning pitcher - threw the final inning, striking out three.

Lewis had a double and two RBIs. Tyler Hanson, Contreras, and Wolcott also had doubles. Schneider had one hit.

"We played a little sloppy over the weekend, making some bad mistakes at key times. We will have to improve in the next six

games remaining," Coach Schneider said.

The Vikings (20-10-1 overall, 8-4 league) will play at Gaylord on Thursday, May 27, at 4:30 p.m. Grayling will play Kalkaska at Elk Rapids in a round one district game on Tuesday, June 1, at 4:30 p.m.

"We now are focusing on the district rematch against Kalkaska and using the next games to prepare for them. They are a very good team and we will have to play our best to beat them," Coach Schneider said.

## Golfers finish 2nd at LMC championship meet

Grayling High School finished second at the Lake Michigan Conference championship tournament for golf on Friday, May 21, posting the best overall individual score of the meet. The event was held at Antrim Dells Golf Course.

Senior Taylor DesEnfants posted a 77 - the best score of the tournament - on Friday. Ethan Lewis finished at 85, Tyler Brigham 87, Josh Johnson 90, Derek Lorenc 102, and Tyler Hanson 109.

The Vikings (339) finished eight strokes behind Charlevoix (331), the top team in the conference. Traverse City St. Francis (353) took third.

"Rain all day. Team played well considering the weather," Coach Dan DesEnfants said. "The team this year has managed to pick each other up. Great group of guys."

"Taylor finished first, Ethan Lewis was outstanding with an 85, and Tyler Brigham continues to compete with an 87. Both of these guys are juniors and look good for next year," Coach DesEnfants said.

DesEnfants earned an all-conference selection and Johnson earned an all-league honorable mention. DesEnfants took first at Friday's league tournament and posted an average score of 78 in league meets this season.

"Taylor and Josh were the

team's senior leaders and a real pleasure to coach this year. Both are very good players and hopefully can continue playing well into

the state tournament," Coach DesEnfants said.

The Vikings will compete in districts on Friday, May 28, at Crystal Mountain.

## Busy week yields two league losses

After playing three games in a Saturday tournament, the Vikings fell to league foes Elk Rapids and Harbor Springs last week.

On Thursday night, the Vikings lost 3-0 at Harbor Springs.

"We were hoping to have another great game against Harbor - (we) tied them 3-3 earlier in the season - but this would prove difficult as Harbor stepped out with two early goals. The girls did a nice job of giving ourselves some good opportunities... unfortunately were unable to score," Coach Craig Cobb said.

Grayling goalkeeper Ciara Summers had nine saves.

"We have had several recent games where the team has come out flat and as a result is fighting to come back into the game from that point on as other teams are taking advantage of this. We are continuing to work on getting rid of that 10-minute stretch where we lose focus. That all being said, the girls are working hard, playing hard, and continuing to improve. We have come a long way in the last

two years and despite some setbacks of late, I can't help but recognize just how far we have come," Coach Cobb said. "We are preparing ourselves for districts and as a team we are working to put ourselves in the right frame of mind so we can have success."

The Vikings lost 7-0 at Elk Rapids on Monday night.

"We turned around from our weekend and played Elk Rapids on Monday. We had several players injured from the tournament and it was clear early on that we were a step behind Elk Rapids because of the long day on Saturday. Elk Rapids took it to us in the first half, scoring six goals. At halftime, the girls had a gut check and came out in the second half revived and ready to really fight for the ball. We did a nice job of containing Elk Rapids' offense in the second half. We rose to the challenge and even though the score wasn't what we wanted it to be it is important to recognize that the girls didn't fold despite the score," Coach Cobb said. "They contained a very

good offense and I was proud of the way they stepped up in the second half."

Summers had nine saves.

The Vikings played three games in the Oscoda Tournament on Saturday, May 15.

Grayling lost 2-0 vs. Birch Run in the squad's first game of the day.

"We came out and controlled the game. We had lots of opportunities to score but were unable to put one in the back of the net. We had the ball on their end of the field for most of the game. It was nice to see our team working together; we did a very nice job of controlling the game. Unfortunately, two early penalties allowed Birch Run to have a penalty kick and an indirect kick, which they scored with," Coach Cobb said.

Grayling lost 3-0 vs. Gladwin.

"We turned around literally five minutes later and played Gladwin. The girls were exhausted and Gladwin took advantage of this, coming out early on and scoring. Our girls were

resilient though, never gave up, and continued to play hard. Gladwin put together some good passes and took advantage of their opportunities," Coach Cobb said.

Grayling's last game of the tournament - a match vs. event host Oscoda - ended in a 3-3 tie.

"We took care of the ball right away and Shelby Pippin scored on a nice cross from Hannah Haven. Hannah Haven scored two goals while juking out several defenders. Oscoda, in the meantime, scored one goal. The momentum shifted in the last 10 minutes of the game and Oscoda was able to score two more goals in the last 10 minutes. We went into a penalty shootout of five vs. five and came out of that with a tie. We then went into a three vs. three penalty shootout and again tied," Coach Cobb said.

The Vikings (6-9-2 overall, 5-6-1 league) will host Kalkaska at 5 p.m. on Thursday, May 27. On Tuesday, June 1, the Vikings will play against the Blazers again - this time in a district playoff game - at Kalkaska at 5 p.m.

## Relay teams qualify for state track finals

Eight Grayling High School track athletes qualified for the state finals in two different events by placing high enough at Saturday's regional competition held at Benzie Central.

Grayling's 400m relay team (boys) - Nick Dorn, Trevor Dewitt, Xavier Lindsey, and Cody Myers -

took second with a time of 45.00 and earned a spot in the state finals. Myers also qualified for the state meet in the 200m dash (23.10).

Grayling's girls 400m relay team also qualified for the state finals. The squad - Shanley Dorn, Stanna Dorn, Sam Hansen, and Brianna Kirk - took first place (52.70) at regionals.

"The overall performance of the girls today was unbelievable. They stepped up and they had 12 personal records set today. They also had nine top eight finishes,

which is amazing," Coach Tim Gariglio said. "These girls have been one of the most enjoyable to coach. They have worked very hard this season and are committed to the team. Stanna Dorn also broke the school record in the long jump."

"It was a good day to run; we had great weather and spirits were high. The boys ran very well considering our numbers are depleted considerably," Coach Dan Helms said. "We will be heading to Comstock Park in Grand Rapids to com-

pete against the best of the best in Division 3. It's going to be a good day!"

Other notable performances for GHS at regionals included: (boys) N. Dorn, 8th, 100m dash; Colin Hamlin, 5th, 1600m run; N. Dorn, Dewitt, Lindsey, Myers, 4th, 800m relay; (girls) Kirk, 5th, 100m dash; St. Dorn, 7th, 100m dash, 6th, long jump; Sh. Dorn, 7th, 200m dash; Kaitlin LeBlanc, 5th, 400m dash; Jo Hamlin, 7th, 1600m run; Haley Wiseman, 6th (tie), high jump.

Wednesday Ladies League

Hello and welcome back to all my golfing friends and my wonderful readers. Seems like yesterday I was signing off for the year and here I am beginning a new and hopefully exciting season for all.

May 12 was one of our "fun" days. It was quite chilly and while 16 arrived only 7 of us played.

Yesterday, May 19, was one of the nicest days of golf that we had. It started out cool and rose quickly to near 80. It was our last "fun" day as our regular golf season starts next Wednesday. There were 24 golfers who played as we had a straight scramble.

Coming in first place with a 39 was the team of Charlotte Clark, Juanita Brown and Nancy Glasslee.

In second place was a two-way tie between the team of Mickey Perez, Ann Latussek and Retalou Tobin and the team of Aggie Trudgeon, Donna Thomson and Judy Williamson with a 40. Nancy Glasslee had the lone chip-in this week.

After lunch, quite a few of us went back out for another round. Finally warm enough to enjoy the whole day. Until next week... that's all "fore" now.

## Lacey Stephan Construction selected as spotlighted member

Lacey Stephan Construction was selected as the Grayling Regional Chamber of Commerce Ambassador's Club Spotlight-A-Member Award recipient for May.

Lacey Stephan started working in construction when he was a teenager and took to the trade very quickly. He worked under various experienced and talented lead carpenters that helped him develop a great work ethic and tremendous skills in all levels of construction. He knew this was a line of work that he could build a career around, became licensed and insured and then opted to start his own construction company in 2002.

Lacey Stephan Construction provides all levels of construction from

replacing a door to building an entire home and everything in between. Some examples include: custom homes, siding, additions, remodels including full kitchen, garages, window and door replacement. They also offer professional design services and log construction.

"I have vast experience working with insurance adjusters. I know what they need to make sure repairs go smoothly and quickly while still keeping my focus on the homeowners," said Stephan.

Stephan was born and raised in Grayling. He resides here with his wife, Toni and two teenage daughters, Jordan and Jensen. He loves his community and donates his time and talents when possible.

The Grayling Regional Chamber of Commerce Ambassador Club selected Lacey Stephan Construction as May's Spotlight-a-Member. Pictured above left to right is owner Lacey Stephan and Gordon Whitney, lead carpenter.

He is a volunteer for the AuSable River Canoe Marathon, a little league softball coach five years

running, a member of the Grayling Rotary and has been a chamber member for eight years.

## The men dished it up at the 10th Annual Men Who Cook

The 10th Annual Men Who Cook saw an attendance in excess of 100 guests.

The cooks this year were Ron Gribb, John Whittaker, Monte Burmeister, John Jones, Tim Cowan, Shawn Krays, Randy Thoinpson, and 11 year old Robert

Roussel.

Dishes varied and included venison meatballs in sauerkraut with cranberries, baby American lamb chops, spinach salad, lasagna, stuffed jalapeno peppers, meatballs, and venison & bacon white chili. Dessert was over the top with

Ghiradelli brownies, lemon bars and assorted cheesecakes.

As each guest arrived, they were given a ticket to vote for their favorite dish. The People's Choice Award went to Shawn Krays for his venison & bacon white chili. A second award was presented by our mystery judge of the evening, Scott Longendyke. He presented the Mystery Judge Award to John Whittaker for his baby American lamb chops.

Men Who Cook has been a

local favorite since its inception 10 years ago and this year was no different.

"The community really supports this event" said Traci Cook, "and we do what it takes to make sure no one is disappointed."
